Representatives from the Navy League's Maritime Policy Committee will provide a rundown of the Navy League's newly-released 2010-2011 Maritime Policy Statement. The speakers will highlight key themes within this year's statement that include recommendations for strategy, policy and the allocation of national resources in support of the U.S. Navy, Marine Corps, Coast Guard and U.S.-Flag Merchant Marine. Speakers will also discuss issues within the MPS that call attention to other critically important maritime topics in addition to shipbuilding that affect the needs of the four Sea Service branches. These include USMC aircraft, the industrial base, the maritime transportation system and sea service personnel.

Copies of the Navy League of the United States, 2010-2011 Maritime Policy Statement will be available for attendees and in the media registration room in Chesapeake J on the convention center main level.
